Noemi Ruth

The Lord surprised us with a beautiful, 5 pound, baby girl yesterday afternoon! She is so tiny and cute, what a precious gift from God. She was born 10 days ago on the streets of Guatemala, to an HIV positive street woman, after she was born her mother dropped her off at the hospital and left. As sad as that may be; we do praise the Lord that she chose to give her baby LIFE!! She came with no name. I asked the Lord what we should name her, and he replied; "Noemi Ruth." We pray that the character of these two godly women will be formed in her. She's just precious... :O)

Edwin celebrated his first birthday in February and has been with us for about three months now. He was born to an HIV positive mother, and was later abandoned by her. He was living with

relatives, but they had no understanding of what he possibly could be dealing with medically. The judge sent him to our home. We anointed him with oil and prayed over him for healing and deliverance from HIV. Praise the Lord; he is a strong, healthy and happy child, and is a real joy to have with us.

We believe that once he completes the 18 months of HIV testing that he will be able to return to his relatives.

Throughout the years, God has sent us many children, some have stayed for a long time, others for a shorter time, but we know that every child has been touched by His love. Pray that Edwin's life will stay in the palm of God's hand.

Lester has been with us for about two weeks now. His family abandoned him at a very early age; he went to live with another family which exploited him for child labor. He was rescued from that situation, only to be put into a very abusive situation.

Even though, he was abandoned, used, and abused, his spirit is still sweet and workable. Lester is a very intelligent boy, who likes to study and excels in school. He also enjoys working in the yard and to help the cook in the kitchen.

We are blessed to have him living at the LIFE Homes with us. We see God's hand over him and look forward to seeing him grow in spirit and body. Please pray for him, as he walks down the path of forgiveness to find his freedom in Jesus Christ.
